THE RIGHT VARIETIES

Mr. Chas. F. Wassenberg,
1225 N. Capitol St.,
Washington, D. C.

Dear Grower:

More people are showing interest in Irises every day. The questionnaire, issued by Better Homes & Gardens, showed their readers were more interested in Irises, by a large majority, than any other flower.

This popularity is increasing by leaps and bounds. Is your planting in shape to take care of this increased demand and sales. Look over this list of Irises and see what varieties you need to bring your stock up to present and future needs.

You'll like the Wassenberg quality rhizomes, they are hardy, well grown and vigorous. Further you will be pleased with our prompt service.

Use the enclosed order sheet and envelope; no stamp needed.

Hoping you are enjoying a successful season, I am,

Very truly,

Chas F Wassenberg
